**Re: MUR# 6627 - The Gun Show  
Request for Extension of Time**

Dear Mr. Jordan:

Journal Broadcast Group Inc. ("Journal"), owner and operator of radio station KSGF-FM, which is licensed to Journal Broadcast Corporation in the Springfield, MO market, hereby respectfully requests a 20-day extension of time in which to respond to your letter to Journal dated August 22, 2012 regarding a complaint filed by Thomas Shane Stilson (the "Letter").

The Letter requires that Journal respond within 15 days of receipt of the Letter. As Journal received the Letter on August 27, 2012, its response would be due on Tuesday, September 11, 2012. The requested extension would make Journal's response due on Monday, October 1, 2012.

The extension of time is necessary and appropriate as the Letter requires Journal to respond to issues associated with a radio program that is produced by a third party and broadcast on KSGF-FM during airtime purchased by that third party. The preparation of Journal's response therefore requires it to research and review a number of issues, including some issues associated with third parties. In addition, the response period contained the Labor Day holiday, which affected the timing of the necessary research and review.

Journal therefore requests an extension of the response deadline to ensure that it is able to conduct a complete investigation into the circumstances and prepare a full and accurate response to the Letter.

If there are questions concerning this matter, please contact the undersigned counsel.

Respectfully submitted,

  
John W. Bagwell
